

## MISSISSIPPI

### **Mary Currier, MD, MPH**

*ASTHO Representative, Region IV*

*State Health Officer, Mississippi State Department of Health*

---

Mary Currier became Mississippi's state health officer in 2010 after serving as state epidemiologist from 1993 to 2003, and again from 2007 to 2009.

Currier has 30 years of state service experience and 25 years serving in public health. Prior to serving as state epidemiologist, Currier was a medical consultant with the Mississippi State Department of Health, where she began her career as a staff physician for the prenatal care, family planning, STD, and pediatrics programs.

Currier is a member of the American Medical Association, the Mississippi Central Medical Society, the American Public Health Association, and is board certified in general preventive medicine and public health.

Currier received her Doctor of Medicine degree from the University of Mississippi School of Medicine in 1983 and her Master of Public Health degree from the Johns Hopkins School of Hygiene and Public Health in 1987.
