ASTHOConnects Virtual Session

ASTHO & FDA CTP Discuss the FDA Advance Notices of Proposed Rulemaking

June 12, 2018

Participant Conference Line: 1-800-289-0462
Passcode: 551321#
Vision
State and territorial health agencies advancing health equity and optimal health for all.

Mission
To support, equip, and advocate for state and territorial health officials in their work of advancing the public’s health and well-being.
ASTHO Welcomes Mitch Zeller

- Director of the FDA Center for Tobacco Products (CTP) since March 2013

- Mission of FDA CTP is “to make tobacco-related death and disease part of America's past, not America's future, and, by doing so, ensure a healthier life for every American family.”

- As director, Mitch leads FDA’s efforts to reduce death and disease resulting from tobacco use
Three FDA ANPRMs

- Tobacco Product Standard for Nicotine Level of Combusted Cigarettes
- Regulation of Flavors in Tobacco Products
- Regulation of Premium Cigars
- Deadlines extended by 30 days, with all comment periods concluding in July
Virtual Session Logistics

• Participant lines are muted for the duration of this event

• Please use the chat box to submit questions for Mitch and to make the ASTHO team aware of any technical issues

• This session is being recorded, and a recording will be made available on ASTHO’s tobacco webinars page in the coming weeks
