State	Bill #	Description	Status	Category
CO	170	The bill establishes standards for limited services clinics operated within a retail store, supermarket, pharmacy, or similar retail outlet that is not affiliated with a primary care provider and that offers episodic, acute care for minor illnesses and injuries. A limited services clinic is required to: ! Develop policies and procedures that identify the limited services the clinic can provide; ! Restrict services to persons who are at least 2 years of age; ! Review a patient's immunization status in the Colorado immunization information system prior to administering a vaccination; ! Report to the Colorado immunization information system regarding vaccinations it administers to children; ! Develop a policy for addressing acute vaccine reactions; ! Follow accepted and age-appropriate clinical practice guidelines for diagnosing and treating patients in each of its limited services categories and determining when a patient's needs are beyond the scope of services that the clinic provides; ! Develop policies and procedures for referring patients and maintain a roster of primary care providers in the geographic area that have requested inclusion on the roster and are accepting new patients from	03/11/2010 (S) SECOND READING PASSED WITH AMENDMENTS.
