

Nebraska | Ashley Newmyer, MPH

Interim Director, Division of Public Health

Nebraska Department of Health and Human Services

Ashley Newmyer currently serves as the Interim Director of the Nebraska Department of Health and Human Services (DHHS) Division of Public Health, a role she assumed in May 2025. With a strong foundation in public health and epidemiology, Ashley brings extensive experience as a Chief Data Strategist, specializing in data management, injury surveillance, and trauma care quality improvement.

She holds advanced degrees in Public Health and Biostatistics from the University of Nebraska Medical Center, reflecting her commitment to evidence-based practice and academic rigor. Throughout her career, Ashley has combined technical expertise with collaborative leadership, driving initiatives in health education, community outreach, and data-informed decision-making.

Passionate about using data to advance public health outcomes, Ashley is dedicated to fostering innovation and continuous improvement across Nebraska's public health landscape.
