RHODE ISLAND DEPARTMENT OF HEALTH

MISSION:
To prevent disease and protect and promote the health and safety of the people of Rhode Island.

TOP 5 HEALTH AGENCY PRIORITIES

Address the socioeconomic and environmental determinants of health
Eliminate health disparities and promote health equity
Ensure access to quality health services for all Rhode Islanders, including the state's vulnerable populations
Empower local collaboratives to build healthy, resilient communities through Rhode Island’s Health Equity Zones initiative, leveraging the Rhode Island Health Equity Measures to track outcomes
Partner across sectors and promote coordinated investments in community-led, place-based approaches to building healthy, resilient communities
