

# Liletta Coding Update and Discussion

---

Amanda Kelinson, MPA  
Manager, Health Care Delivery  
National Family Planning and  
Reproductive Health  
Association (NFPRHA)

A blurred photograph of a hospital hallway. On the right side, there is a curved white reception desk with a computer monitor and some papers. On the left side, there is a waiting area with several people sitting on a long, light-colored bench. The hallway leads into the distance, with a person walking away from the camera. The ceiling has several recessed lights, and the walls are a light color with some green accents.
