All resource requests go through EOC Logistics, but Supply Unit with IMT and/or at incident.

Considerations for Success:
1. Talk to each other.
2. Check your ego at the door.
3. Create delegation of authority/IMT guidance document to set scope up front.
4. Only utilize needed positions and demob those not working or not necessary.
5. Stay in your lane, but work with and across other lanes.
6. Learn other's jobs to better understand how to do yours.
7. Policy and EOC provide 30,000 foot picture
8. IMT manages their assigned, ground level incident/event
