

Sample IPRO Dashboards (NY CPHI)

The following screenshots provide examples of the reports available on the IPRO dashboard that is currently under development. This dashboard will compile data from participating practices' EHRs. The dashboard will present the data in a format that will enable each practice to review data from its specific patient population for comparison with practices of similar size or geographic area (note: practices will not be identified).

- Anti-platelet
- Blood Pressure
- Cholesterol
- Smoking Cessation

Anti-platelet

Select a Date Range 10/02/2016 - 01/01/2017

Site ID	Anti-platelet	Practice Size	Reporting Cluster
da75f	100%	1 to 2	B0001
395a5	98%	8 or more	B0104
b46b4	97%	1 to 2	B0018
abe8b	96%	1 to 2	B0006
b27e1	96%	3 to 7	B0100
39766	95%	1 to 2	B0006

Blood Pressure

Select a Date Range 10/02/2016 - 01/01/2017

Site ID	Blood Pressure	Practice Size	Reporting Cluster
b46b4	100%	1 to 2	B0018
