Meeting ID: 374-736-476

Arkansas * Commonwealth of the Northern Mariana Islands *

Iowa * New Mexico * South Carolina * Washington

Session Objectives:

- Describe how maternal mental health and substance use disorder (MH/SUD) systems changes can lead to increases in diagnosis and treatment rates.
- Identify ways to utilize the lifting of the Medicaid Institutions for Mental Disease (IMD) exclusion to improve treatment of mental health and substance use disorders.
- Delineate the process by which Virginia leveraged a Medicaid IMD waiver to improve access to care and treatment for mental health and substance use disorders.
