

## UTAH

Michelle G. Hofmann, MD, MPH

**Deputy Director**

Utah Department of Health

Michelle G. Hofmann, M.D., M.P.H., M.H.C.D.S. is Deputy Director at the Utah Department of Health and Associate Professor of Pediatrics at the University of Utah School of Medicine. She received her public health training at the University of Utah, physician training at Albany Medical College and Massachusetts General Hospital, and most recently completed a Master of Health Care Delivery Science at Dartmouth College.

Dr. Hofmann brings 17 years of experience as a pediatrician and physician leader at University of Utah Health and Intermountain Healthcare focusing on vulnerable populations and value-based healthcare.

Before her recent appointment as Deputy Director in February 2021, Dr. Hofmann joined the Utah Department of Health last August as Manager of the Healthcare Associated Infections and Antimicrobial Resistance Program.
