Break

Fireside Chats Concurrent*
Join us for interactive discussions on topics including Evaluation and a new platform for public health infrastructure transformation. There will also be the opportunity for a Q&A with CDC staff.

Regency A
10–11 a.m. CT

Interests and Priorities for the National Evaluation of the Public Health Infrastructure Grant*
(Participation is limited to PHIG recipients only. Only the first 50 virtual PHIG recipients will be admitted to the session).
The National Evaluation Team for the Public Health Infrastructure Grant is leading the development of a comprehensive evaluation to capture lessons learned and contributions of the grant. During this fireside chat, attendees will have the opportunity to share and discuss their evaluation interests and priorities. These interests and priorities will inform development of evaluation questions for the national evaluation of the grant.
Speakers:
- **Megan Hefferman**, *Senior Research Scientist, NORC, University of Chicago*
- **Luciana Rocha**, *Senior Research Scientist, NORC, University of Chicago*

Regency B
10–11 a.m. CT

Harnessing Data to Improve Public Health Infrastructure*
This fireside chat will give attendees the opportunity to get in on the ground floor on the development of a new platform that will aggregate, harmonize, visualize, and report on public health infrastructure data as well as empower health departments (HDs) through access to resources such as peer learning, technical assistance, and trainings – all in one powerful tool. The session will include an introduction to the platform, key insights gleaned from discovery sessions with HDs and other public health stakeholders, an interactive activity where attendees can provide their thoughts and feedback, as well as a Q&A session.
Speakers:
- **Erin Krieger**, *Creative Director, Insomniac Design*
- **Jessica Kronstadt**, *Vice President, Research and Product Development, Public Health Accreditation Board*
- **David Lee**, *Senior Director of Product Development and Data Systems, Public Health Accreditation Board*

Regency CD
10–11 a.m. CT

Q & A with CDC Staff – *In Person Only*
If you have specific questions for CDC staff, stay in the main plenary room for an opportunity to engage with key CDC staff. Representatives will be available from the PHIG team (Team Leads and Project Officers) and staff from CDC's Data Modernization Initiative and Epidemiology and Laboratory Capacity.

Regency Foyer
11–11:15 a.m. CT
